BST MARKETING SERVICES

BSTPortal.com is the link and Master Key to the Global Wholesale Market for Bearings, Automotive, and Industrial Spare Parts.

WorldTradeSteps.com | Bearings.com | TruckParts.com | AgricultureParts.com | MachineryParts.com

LEARN ABOUT OUR MARKETING SERVICES!

BSTPortal.com's Primary Business Solution is:

To Consolidate Wholesale Parts Distributors Worldwide in a Database from a Reliable Contact Source to Buy, Sell and Trade (BST = Buy Sell Trade) products and services.

For this reason, we present before you our **BST Marketing Services** model, which consists of two key activities to help you achieve your business objectives:

BST Comprehensive Plan \$499.00 USD UNTIL FURTHER NOTICE AT NO COST!

Management Service of Inventories

This service consists of registering your inventories within the **BSTPortal.com Online System**. Our team of professional advisors will be in charge of supporting you in registering your inventories, preferably those that are slow moving, obsolete or surplus.

Schedule an appointment with an Authorized Advisor and Learn the basics of the service right now!

BST MARKETING SERVICES

Business Opportunities Search Service

BST will inform you and promote your registered inventory, in the market that you selected according to your Membership, either **BSTBearings.com**, **BSTTruckParts.com** or both, that is your proposal regarding your products and services to Wholesale Parts Distributors like you.

The segmentation tools that our system has are detailed below:
